## **Why this program?**

UPSC is reducing the number of days between Prelims and Mains. For IAS Mains you have to prepare for 7 papers and the syllabus is vast. If you are not well prepared for IAS Mains before attempting prelims, your chances to clear IAS Mains are very less. So, do not waste your precious time. With this program you can cover the Essay and General Studies Syllabus within 13 weeks.

Only reading books and notes is not enough to score good marks in IAS mains exam. Following are main dimensions of High Scoring Answer–

- Context
- Structuring
- Presentation
- Introduction
- Conclusion
- Language Skills
- Handwriting
- Content

Most coaching institutions and students invest the majority of their time in developing Content i.e. reading more and more books, notes, PDFs. So, other dimensions remain neglected. With a daily answer writing program, we will help you to develop all dimensions.
